Re: Notice of Mass Layoff

Please be advised that, on or around September 19, 2010, Visteon Corporation will permanently layoff a number of its employees who are presently leased to Automotive Components Holdings, LLC ("ACH") and work at ACH's Plant located at 800 County Road, Milan, MI 48160. These layoffs are the result of ACH informing Visteon that it no longer requires the services of these employees. Consistent with these plans, the last day of employment for the affected employees is anticipated to be September 19, 2010, or within two weeks thereafter.

A list of the affected job classifications and number of employees per classification is attached. All of these employees are represented by the UAW Local 600. Union inquiries should be directed to Bill Ellis, Plant Chairman, UAW Local 600, 800 County Road, Milan, MI 48160 or via telephone at (734) 481-9889 or to Rory Gamble, Director of UAW Region 1A, 9650 S. Telegraph Road, Taylor, MI 48180 or via telephone at (313) 926-5451 or (313) 291-2750.

All terminated employees will be paid all earned wages and agreed-upon fringe benefits upon termination. The layoffs will be permanent and bumping rights may exist depending on the individual circumstances and negotiations with the union.

For further information regarding this matter, please contact Donald Vincent at Automotive Components Holdings, LLC, 800 County Road, Milan, MI 48160, or via telephone at (734) 481-9421.

Sincerely,

A handwritten signature in black ink that reads "Jeff Wolf".
