Dear Mayor Healy and Ohio Dept of Job and Family Services:

After careful review and analysis of many factors, including but not limited to, sales, production, number of employees, benefits and compensation, the current economic conditions and the labor markets, we have made the business decision to permanently close the NPTA - IUPA Fundraising Center located in Canton, OH.

The effective date of this closure will be December 31, 2009. We will provide notification to all employees on December 23, 2009. There are no bumping rights.

While we do not believe that this invokes the federal Worker Adjustment and Retraining Notification Act, we are giving you notice of this event out of an abundance of caution.

We hope that your agency will coordinate the services that will be required by the affected employees. All will be eligible for unemployment insurance benefits and many will need other social services as well.

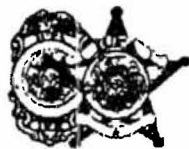

We appreciate your assistance in making this a smooth transition for the affected employees. Should you have any questions or concerns, please do not hesitate to contact me at 732-512-9800 ext 11490.

* Note: It is our intention to operate the center thru the notice period. However, telemarketing operations are based on factors such as meeting minimum client goals; individual employee performance; hours worked per policy; and total number of callers working at one time allowing for the proper operation of the predictive dialers. In the event any one or all of the above circumstances occur, we will have no choice but to cease operations sooner than planned. At that time all remaining employees will be eligible immediately for UI.

Very truly yours,

Katherine DiGregorio
