Dear Mr. Calhoun:

This is to inform you that Apria Healthcare, Inc. will conduct layoffs at its facility located at 311 Industrial Drive, Minster, OH 45865-1258. This action is expected to be permanent. The reason for the layoff is facility consolidation caused by severe Medicare Part B payment cuts authorized by Congress in laws passed in 2003, 2005, 2008 and 2010.

Enclosed is a listing of the job titles of the positions to be affected and the number of affected employees in each job classification and their termination dates. The company will provide additional notice as this information becomes available.

There are no bumping rights at this location.

The affected employees at this facility are not represented by any union.

You may contact Mike Harper, Vice President of Employee Relations at (949) 639-2188 for further information.

Very truly yours,

Michael E. Harper
