Dear Jim Turner:

This letter is being issued in accordance with the Worker Adjustment and Retraining Notification Act (WARN) in order to notify you that Hendrickson, USA is permanently closing its manufacturing facility located at 2070 Industrial Place SE, Canton, Ohio, 44707. The expected date of closure is December 31, 2009, when the manufacturing facility will cease operations.

Hendrickson, USA's Canton manufacturing plant is a unionized facility. Bargaining unit employees at that plant are represented by Teamsters Local 92, affiliated with the International Brotherhood of Teamsters, Chauffeurs and Helpers of America, AFL-CIO-CLC. The highest ranking elected official for Teamsters Local 92 is Robert Jackson. His address is: 1127 9th Street, SW, Canton, Ohio 44707.

The closing of the Canton manufacturing facility is due to a downturn in business conditions and a resultant consolidation of operations.

All affected employees have been properly notified, or will be so notified at least sixty days prior to their separation dates.

Bumping rights do not exist.

The date of the first separation of employment of an affected employee is expected to be December 31, 2009, or within the 14-day period beginning on that date. All currently active and laid-off employees will be separated by the last day of operations, which is expected to be December 31, 2009.

The number of affected employees is expected to be approximately 189. The job titles of the positions to be affected and the number of affected employees in each classification for the Canton manufacturing facility are attached, along with the names of the employees currently holding the affected positions.
