OFFICE OF
WORKFORCE DEVELOPMENT

Dear Sir or Madam:

This notice is to advise you of a plant closure at the GE Lighting Mahoning Glass Plant facility located at 403 North Main St., Niles, Ohio. This is expected to be a permanent closure.

Operations at the facility will terminate as of April 5, 2009. All positions at this facility will be eliminated. It is anticipated that approximately 80 employees will be affected. A list of affected positions is attached. Employees at the facility are unionized and the designated bargaining representative, United Electrical Workers, Local 751, of these employees was previously notified of this action. Any nonunion employees affected by this action will be notified individually. Opportunities for employment at other GE or GE affiliate locations will be limited.

This notice is being provided pursuant to the Worker Adjustment and Retraining Notification (WARN) Act of 1988 which requires employers to provide official notice to certain governmental units or officials pending a plant closing at a facility or operating unit impacting fifty or more employees.

If you have any questions, please contact the undersigned at 330-505-8555].

Very truly yours,

Robert A. Mullins
Manager, Human Resources
