RE: Deaconess Hospital: Cincinnati, Ohio -- Significant Employee Reduction

Dear Mr. Turner:

This notice is being provided to you on December 2, 2009 pursuant to the Worker Adjustment and Retraining Notification Act of 1988, which requires employers to give official notice to certain government units or officials of a pending facility shutdown or significant staffing reduction. Deaconess Hospital (located at 311 Straight Street, Cincinnati OH 45219) will be restructuring and therefore significantly reducing its employee headcount.

Position eliminations will begin on January 31, 2010 and are expected to be completed by February 14, 2010 (2 weeks later). The plan is to eliminate a total of 105 positions at this time – all of which will be permanent. Attached Exhibit A is a list of affected positions and the number of employees holding each position as of the date of this letter.

Please contact me with any questions.

Sincerely,

Allison Hutchins
