**NOTICE OF PLANT CLOSING**

In accordance with the requirements of the Worker Adjustment and Retraining Notification Act of 1988 ("WARN") and related regulations, you are notified that management of Ark II Manufacturing, LLC (the "Company") has determined to institute a permanent plant closing, anticipated to begin no earlier than December 11, 2007. This plant closing is permanent, and is covered by WARN.

The employment site that will be affected by the plant closing is Amweld Building Products located at 1500 Amweld Drive, Garrettsville, Ohio 44231.

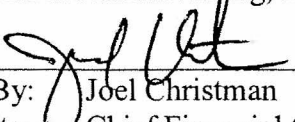

It is anticipated that the plant closing will affect 138 employees. Because all of the Company's employees will be affected by the plant closing, the Company is not providing a list of job titles of the positions to be affected and the names of the employees currently holding these positions.

The date of the first separation of affected employees is anticipated to be no earlier than December 11, 2007. Bumping rights will not exist with respect to the plant closing.

Copies of this notice have been sent to each of the affected non-union employees; the chief elected officer of each of the labor unions representing any of the affected union employees; and the Mayor of the Village of Garrettsville, Ohio.

The company official to contact for further information is Joel Christman, Chief Financial Officer, who can be reached at (330) 527-4385.
