RE: DAL Global Services Reduction in Staff

This letter is to notify you that DAL Global Services will be experiencing a reduction in staff at its Ramp operations located at Port Columbus International Airport, 4600 International Gateway, Columbus, OH 43219. This action is in response to an unexpected reduction in business at this location. Specifically, the Skybus contract we serviced at CMH has ceased operation.

DAL Global Services will attempt to accommodate those full-time employees affected by this layoff who are willing to transfer to other stations in other cities, if openings exist. While DAL Global Services will work with its employees in placing them in available positions in other cities, employees may not necessarily receive the city which is their first choice. Those affected employees who are not willing to transfer will be furloughed. We believe that employment opportunities exist with the successful bidder for many of the employees.

DAL Global Services anticipates the separations and/or transfers will begin on or about April 9, 2008, and be completed by April 9, 2008.

The job titles and number of impacted employees in each classification are as follows:

General Manager	1
Station Manager	1
Supervisor	8
GSE Mechanic	1
Lead Agent	8
Agent	99
Administrative Assistant	1

If you need further information, please contact our Director of Human Resources, Boyd McBurnett, at (404) 715-8867.

Sincerely,

J. McCarthy
President DAL Global Services
