Re: Notice Pursuant to the Worker Adjustment and Retraining Notification Act (WARN)

Dear WARN Act Coordinator:

Pursuant to the Worker Adjustment and Retraining Notification Act (WARN), 29 USC 2101 et seq; 20 CFR 639, I hereby notify you that AT&T Corp. formally announced the decision to close its facilities and declare a surplus at AT&T's facility located at its 8372 E. Broad Street, Reynoldsburg, Ohio location. On November 19, 2010, this surplus will result in the elimination of 96 job positions.

The elimination of these jobs is expected to be permanent.

The affected job titles and the numbers in each title are:

TITLE	MANAGEMENT OR OCCUPATIONAL	SURPLUS DATE	LAST DAY ON PAYROLL	SURPLUS COUNT
AT&T Small Business – Customer Sales & Service Specialists	Occupational	9/15/10	11/19/2010	92
AT&T Small Business – Reports Clerk	Occupational	9/15/2010	11/19/2010	3
AT&T Business – Reports Clerk	Occupational	9/15/2010	11/19/2010	1

96 Total

The announcement was based upon the best information currently available. However, various factors may still affect the timing of the reduction in force. You will be notified of any significant changes in these plans as additional information becomes available.

Prior to November 19, 2010, AT&T will assist the affected employees in obtaining another job – internally and externally. This operation will not continue at this AT&T location. The reasons for the reductions in force noted above are the consolidation of job positions and the need to reduce costs in the business. Each of the employees will be eligible for termination payments in accordance with any applicable collective bargaining agreement along with any other vested and/or continued benefits.

If you have any questions, please contact Kathy Reed – 973-326-2821, Kris Leonard - 312-364-4540 or me at 614-223-5115.
