Dear Director Canfora:

As we told you in our earlier letter, Henkel Corporation will close its Port Huron facility located at 1600 Washington Avenue, Port Huron, Michigan 48060. We anticipate that employment terminations will be permanent and that they still will commence during a 14-day period beginning on April 22, 2011, however, a few employees have asked to leave earlier. We also still expect that the entire facility will be closed.

We are now notifying you about another phase of reductions which will result in twenty-nine (29) additional employees terminating their employment during the 14-day period commencing on June 10, 2011 and four (4) additional employees terminating their employment during the 14-day period commencing on June 30, 2011. A list of the job titles, number of employees and termination periods of the employees in this phase and the earlier phases is enclosed with this letter.

This announcement and the above timetable are based on the best information currently available. However, various factors may still affect these plans and the timing of employee separations. You will be informed of any changes as additional information becomes available. The Teamsters Local Union No. 337 represents the hourly production, shipping and maintenance employees at this location. The chief elected officer of that union is Larry Brennan, President, 2801 Trumbull Avenue, Detroit, Michigan 48216. Only very limited bumping rights exist for the unionized employees at the facility. These are described in a Supplemental and Closing Agreement between Henkel and the Union.

To the extent that the above actions constitute a covered event under the federal Worker Adjustment and Retraining Notification Act or any other notice law, this letter is intended to fulfill any requirements imposed under such laws. By providing this information, we do not concede that such laws apply or that notice is required.

Excellence is our Passion

If you have any questions or desire additional information, please contact Judy McIntyre in Henkel's Human Resources Department at (248) 577-2168.

Very truly yours,

HENKEL CORPORATION
