**Re: Notice Pursuant to the Workers Adjustment and Retraining Act of 1988
("WARN")**

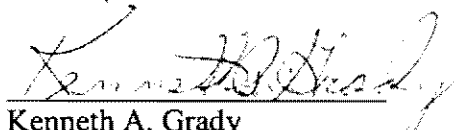

In compliance with the federal Worker Adjustment and Retraining Notification Act ("WARN"), this is to notify you that Wolverine World Wide's tannery facility located at 181 North Main Street, Rockford, MI 49351 will be permanently closing. We hope to accomplish this closing with the least possible disruption to our employees and the community.

According to the best information available, the expected date of the facility closing will be May 15, 2009. A list of the affected positions and the number of affected employees in those positions is attached. (*Exhibit A*). Because the facility is closing, employees do not have bumping rights.

Certain employees at the facility are represented by the United Food and Commercial Workers International Union on its own behalf and on behalf of Local #600-A (the "Union"). The Chief Elected Officer of the Union is Ms. Lori Spenle.

If you have any questions about the facility closing, please contact Amy Klimek at (616) 863-4424.

Sincerely,

Kenneth A. Grady
