*Re: Notice of Conditional Termination of Operations and Closing of Facility*

Dear Mr. Turner:

Outsourcing Services Group, Inc., the parent company of Precision Packaging & Services, Inc. ("Precision"), is restructuring its operating companies in connection with its efforts to obtain additional financing. Part of this restructuring includes a divestiture of Precision's Monroe, Ohio facilities. As a result, Precision's Monroe, Ohio facilities on 801 Garver Road and 1120 Reed Road will be closed unless they can be sold to an entity which will continue the operations.

In the event it is unsuccessful in finding a buyer for the Monroe facilities, Precision is hereby giving you notice that it will be permanently terminating its operations located at 801 Garver Road, Monroe, Ohio 45050 and 1120 Reed Road, Monroe, Ohio 45050.

Under the circumstances described above, Precision anticipates that the first separation of employment would commence between March 10, 2007 and March 24, 2007, and that it would be completed by March 24, 2007. Precision anticipates that 267 of employees would be affected by its termination of operations during this period. All positions and jobs at these locations would be eliminated.
