This letter will serve as the notice required under the Worker Adjustment and Retraining Notification Act ("WARN") the unit closing to occur at 2405 Market Street, Youngstown, OH 44507. The planned action is permanent.

Senior Business Operations of WellPoint, Inc., plans to lay off employees located at 2405 Market Street, Youngstown, Ohio, due to changes in law impacting the Private Fee For Service (PFFS) market place, resulting in a decision to consolidate Senior Business operational centers. Because of the company's obligations to run out the work, impacted employees will be released on two dates:

- Expected Date of the Separation from WellPoint: 04/15/11 (37 employees) and 05/31/11 (14 employees)
- Affected associates have been informed of their release date. Please note that some employees who have been notified may be able to find other positions within the company, thus the numbers of employees affected on each date is based on current information and assumes no one locates another position within the company.

The employees are not represented by a union. There are no bumping rights in existence. Enclosed with this notice is a listing of the job titles of the positions that will be affected and the number of affected employees in each job classification.

Should you have any questions, please contact Jill Bolinger, Human Resources Manager, 2400 Market Street, Youngstown, Ohio 44507 or (330) 783-3723.
