Ms. Ching-Anna Canfora:

This letter is being issued in accordance with the Worker Adjustment and Retraining Notification Act in order to notify you that NYX, Inc. is temporarily closing its facility located at 38700 Plymouth Rd. Livonia, Michigan 48150, effective June 30, 2009.

This closing will result in the layoff of approximately 82 employees. The remaining employees along with the current work will be transferred to an alternative location. All affected employees have been properly notified. There is no collective bargaining representative to notify. The consolidation is due to significant reductions in customer demand.

NYX intends to reopen the facility mid 2010 with the beginning of several new programs. As you are aware the dates of these changes and the number of layoffs are subject to change with industry conditions and customer releases.

If you have any questions, and/or if there is anything your office can do to assist our hardworking and dedicated employees soon to be laid off, please do not hesitate to contact me at 734-306-8360.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel E. Laible", with a long, sweeping horizontal line extending to the right.
