Dear Ms. Oliviera:

This letter serves as confirmation that on April 22, 2011, the Michigan Department of Energy, Labor & Economic Growth, Bureau of Workforce Transformation received your correspondence dated April 20, 2011, regarding the layoffs at the facility located at 6750 19 Mile Rd., Sterling Heights, Michigan. This information has been forwarded to the Michigan Unemployment Insurance Agency and the local Michigan Works! Agency that provides additional training and assistance specifically to dislocated workers.

A staff person from our office will contact you or your designated representative in the near future in order to discuss various services and programs that are available to those affected workers. Thank you for working with the State of Michigan to assist workers impacted by layoffs.

Sincerely,

Marcia S. Black-Watson, Deputy Director - Employer Services
Bureau of Workforce Transformation

RAPID RESPONSE

RE: Notice of layoffs

Dear *Chong-Anna Canfora and the Honorable Richard J. Nottle*;

Due to economic conditions and the end of our contract to manufacture the FMTV, BAE Systems Tactical Vehicle Systems LP ("BAE Systems") will implement a reduction in force program at its facility located at 6750 19 Mile Road, Sterling Heights, MI 48314 during the two week period beginning on June 20, 2011. At this time, we anticipate that 10 full-time and part-time employees will be permanently separated from employment at this facility.

Affected employees will be paid all wages and other benefits to which they are entitled through their date of termination. On or before the effective date of each employee's termination, BAE Systems will provide each affected employee, under separate cover, information concerning benefits available to them under the terms of a severance plan.

Affected employees do not have bumping rights. None are represented by a union.

This notice is given based upon the best information available to BAE Systems at this time. For further information, please contact: Julie Oliveira, Director, Human Resources at 713.770.6234.

Sincerely,

Chris Chambers
VP & GM, Tactical Wheeled Vehicles
