Re: Worker Adjustment and Retraining Notification Act Notice

Dear Ms. Canfora:

This notice is being provided pursuant to the Worker Adjustment and Retraining Notification Act ("WARN") and for purposes limited to WARN only. Chrysler Group LLC will idle its North Engine Plant at 2000 Van Horn Rd., Trenton, Michigan in April 2011. As a result, it is anticipated that initial employment losses of up to approximately 261 employees working at the Trenton North Engine Plant will begin on or about November 15, 2010 or 14 days thereafter. These actions are expected to be permanent.

Attached to this notice is a layoff summary report. There may be "bumping rights" with respect to this layoff. Employees may have layoff benefits available to them through their applicable collective bargaining agreements or company-sponsored benefits plans, if eligible.

The union and its chief elected officer representing affected employees are:

Mr. Vince Precopio
UAW Local 372 President
4571 Division Street
Trenton, MI 48183

For further information or if you have any questions regarding this matter, please contact me at (313) 956-9058.

Sincerely,

Jerry Lesko
Human Resource Manager
Trenton Engine Plant
