Dear Mr. Turner:

Chrysler LLC is providing notice under the Worker Adjustment and Retraining Notification Act that effective December 31, 2008, Chrysler LLC will eliminate one shift at the Toledo North Assembly Plant, located at 4400 Chrysler Drive, Toledo, OH 43608. This volume-related shift elimination is due to declining market conditions. As a result, it is anticipated that approximately 819 bargaining unit employees will be placed on indefinite layoff on or about December 31, 2008. In addition, approximately 45 non-bargaining unit employees will be impacted at the same time. These actions are expected to be permanent. Most employees will have layoff benefits available to them through their applicable collective bargaining agreement or company-sponsored benefits plans.

Attached to this notice is a layoff summary report. Bumping rights for bargaining unit employees, under the collective bargaining agreement, will apply. Non-Bargaining Unit employees do not have bumping rights.

The union representing affected employees at the Toledo North Assembly Plant is:

Local 12
United Auto Workers
2300 Ashland Ave.
Toledo, OH 43620

Sincerely,

Thomas G. Maxon
