RE: WARN ACT NOTICE

Dear Ms. Hennessey:

This notice is to inform you that the Coca-Cola Enterprises Inc.'s facility located at 880 Doris, Auburn Hills, Michigan will be closed permanently. Currently, it is anticipated that 127 employees will be affected, with the expected date of separation occurring on or about March 21, 2009. Attached hereto is a listing of the job titles of positions of the affected employees and the number of affected employees in each job classification. Please note that no bumping rights exist.

All of the union employees at the Auburn Hills facility affected by the plant closing are represented by Teamsters Local #614. Earl Walker is the chief elected officer for the union and can be reached at 131 University Dr., Pontiac, MI (248)334-4573.

The Company will be offering a competitive severance package to the affected employees. Additionally, the Company anticipates that many of the impacted employees will be offered comparable employment at the Company's Flint, Michigan facility. We regret having to make these eliminations and have attempted to do so in such a way as to minimize the impact on our employees and our community. If you have any questions or need any further information, please contact me at (734) 397-4504.
