Re: Notice of Job Reduction

To Whom it May Concern:

The purpose of this letter is to notify you regarding the planned layoff of certain employees of The Timken Company due to the consolidation of the Bucyrus, Ohio and Spartanburg, South Carolina warehousing operations. We note that the Federal Worker Adjustment and Retraining Notification (WARN) Act (Public Law No. 100-379) in some instances requires and in other instances encourages the provision of notice to affected employees and specified governmental entities of a pending mass layoff, and this notice is being provided in that spirit.

The name and address of the employment site where the layoff will occur is as follows:

Timken Bucyrus Distribution Center
2325 East Mansfield Street
Bucyrus, OH 44820

The planned action is a permanent layoff.

The layoffs will occur between December 15, 2009 and December 31, 2010. Timken has a bearing plant at this same address. The Timken Bearing Plant is not being closed.

We enclose two lists.

The first list relates to hourly non-unionized employees and reflects the job titles of each of the positions that will be affected, and the number of individuals in those classifications who will be impacted by the anticipated layoff. Our non-unionized hourly employees do have bumping rights.
