Dear Mr. Turner:

Please be advised that Georgia-Pacific Corrugated LLC has decided to permanently close its Cleveland packaging facility, located at 4600 Brookpark Road, Cleveland, Ohio 44134. This notice is being provided to you pursuant to the Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2101 ("WARN").

Most affected employees are expected to be laid off between February 16, 2009 and March 2, 2009. A smaller group is expected to be laid off between March 13, 2009 and March 27, 2009. In the event any employees must be retained slightly beyond these dates in order to ensure an orderly and safe shut-down of the facility, they will be provided with updated notices as required by WARN. The Company currently expects the shut-down to be completed by March. Georgia-Pacific will work closely with affected employees and the designated collective bargaining representative of the facility's union employees – the United Steelworkers, Local 438, Local President – Tony DiPaolo, 25111 Miles Road, Suite H, Warrenville, OH 44128, (216) 292-5683 – to minimize the impact of this business decision. Some employees may be released from duty prior to February 16; however, Georgia-Pacific will provide all affected employees with at least 60 days pay with benefits in accordance with WARN. Union employees currently have bumping rights under the terms of their labor agreement; salaried employees do not have bumping rights.

Enclosed please find a list of the job titles of the positions affected by this closure and the number of affected employees in each such job. If you have any questions or need additional information, please contact Dave Juracic at (847) 749-2874.

Sincerely,
