Dear Mr. Valentine:

This letter is to provide your office with notice of a possible “plant closing” under the Worker Adjustment and Retraining Notification Act (“WARN”) for PNC’s facility located at 4100 West 150th Street, Cleveland, OH, primarily because we are outsourcing our Cleveland Technology Helpdesk operation to a local vendor that will in fact offer employment to many of the displaced employees.

As background, on December 31, 2008, the legal merger of The PNC Financial Services Group, Inc., (“PNC”) and National City Corporation (“National City”) was completed. The merger of the two organizations and conversion of our systems results in certain redundancies between National City and PNC operations, which in turn results in the need to restructure certain of our businesses and departments, and the elimination of certain businesses that are inconsistent with our business model going forward.

Please be advised this possible “plant closing” results in the elimination of a total of 58 positions.

1. For purpose of this notice only, we have concluded that the relevant affected employment site is 4100 West 150th Street, Cleveland, Ohio. The name and telephone number of the company official to contact for further information is Brian Ferguson, Vice President, Human Resources (412) 768-8500.

2. The displacements occurring as a result of the merger are expected to be permanent.

3. Unless they obtain employment elsewhere within PNC or with another employer prior to their expected date of displacement, the employment of the 58 employees at the Cleveland, Ohio location is expected to be terminated according to the following schedule:

During the 14-day period beginning on March 30, 2010	57 employees
During the 14-day period beginning on April 30, 2010	1 employee

4. The following is a list of the affected job titles and the number of employees in each of those job titles at the affected location:

COMMAND CENTER SPECIALIST II	9

Even after these displacements, PNC will continue to employ over 1,000 employees at this facility.

Please contact me if you have any questions about the information in this letter.

Sincerely yours,

Brian Ferguson
Vice President, Human Resources
