WORKFORCE PROGRAMS

Dear Ms. Hennessey:

Due to sudden, dramatic and unexpected deteriorating circumstances in the automotive industry and in Lapeer's financial and economic condition, its management has been compelled to sell its book of business and permanently close its operations located at 930 S. Saginaw, Lapeer, MI 48446, 1070 Clark Street, Lapeer, MI 48446, 249 Center Road, Sebewaing, MI 48759 and 8111 Tireman, Dearborn, MI 48126.

It is anticipated that all employees will be laid off from employment permanently. The Company's elimination of its operations in Lapeer and/or Sebewaing, and/or Dearborn may constitute plant closings or mass layoffs under the worker adjustment and retraining notification act ("WARN").

All of the positions and jobs at the facilities referenced above will be permanently eliminated. We anticipate that initial employee terminations will commence on or about November 1, 2008 and that employee terminations may continue through the end of the year. Less than 60 days' notice of such terminations may be provided due to sudden and unexpected cessation of financing or the purchaser, over whom we have no control, moving jobs.
