Re: WARN Act Notification

Dear Ms. Hennessey:

It was announced today that the Karmanos Cancer Institute intends to purchase St. John Detroit Riverview Hospital to expand its programs. Karmanos will renovate the buildings and grounds and move its programs and services to the Detroit Riverview campus. St. John Health is pleased that a significant health care service will be offered on the campus of Detroit Riverview.

Please allow this letter to serve as written notice that on July 1, 2007, St. John Detroit Riverview Hospital, located at 7733 E. Jefferson, Detroit, Michigan 48214, is scheduled to separate its 1st group of employees as it begins to cease permanently all hospital operations. We currently anticipate that the complete closure of hospital operations at the Jefferson Campus will occur no more than fourteen (14) days from the initial closure date of July 1, 2007.

As a result of this closing, St. John Detroit Riverview Hospital will experience an employment loss of approximately 1,500 employees. All hospital positions at the Jefferson Campus will be eliminated. No displacement or "bumping" rights exist unless otherwise provided in an applicable agreement. We will be working with our associates to assist them in finding other positions.

Should you have any questions regarding the above information, or should you require further information, please feel free to contact Debra Williams, Corporate Director - Work Life Strategies at 586-753-1284.

Sincerely,

Joseph Tasse
President
