Dear Ms. Maybriar:

Premier Manufacturing Corporation will be discontinuing manufacturing operations at its plant at 12117 Bennington Ave., Cleveland, Ohio 44135. As a result of this cessation of production operations, 100 employees will be permanently laid off with initially, approximately 15 leaving in the anticipated 14-day period from March 28, 2011, through April 11, 2011. Of those 100 employees, 84 are represented by Local Union 48U of the United Steelworkers Union (USW) whose President is Milt Cassara who may be contacted at 24371 Lorain Road, Suite 207, North Olmstead, Ohio 44070; telephone 440-979-1050. Affected employees do not have bumping or transfer rights outside of the Cleveland facility. Premier has prepared and will make available a listing of the job titles of positions to be affected and the number of affected employees in each job classification upon request.

The anticipated schedule for layoffs could be extended or moved up should production requirements change. In accordance with our agreement with the Union, we will advise the Union verbally of the remaining (after April 11, 2011) permanent layoffs expected to occur over the next 6 to 9 months as soon as reasonably possible consistent with business conditions.

Please contact me at 216-941-9700 if you have any questions or require additional information.
