Dear Ms. Hennessey:

To the extent the Worker Adjustment Retraining and Notification Act may be deemed to apply, this letter will formally notify you that effective June 30, 2007, Tec-Mar Distribution Services, Inc. intends to permanently cease operations and to close the entire manufacturing facility located at 16150 Grove Road, Lansing, Michigan, 48906 (known as the "Tec-Mar Lansing 3 facility").

It is expected that approximately 42 employees will be affected by the Lansing 3 closure. The expected date of the layoffs associated with the closure is June 30, 2007.

Since the business is being awarded to another company who will operate out of the same building, the impact on jobs could be minimal. If you have any questions or need further information regarding the closing, please contact me at 810 523-0875.
