Dear Mr. Presley:

Re: Layoffs

Please be advised that Inalfa Roof Systems, Inc. ("Inalfa") plans a workforce reduction at its facility located at 1370 Pacific Drive, Auburn Hills, MI 48326. Inalfa expects these layoffs to be permanent. The layoffs will take place on approximately July 27, 2009, August 10, 2009 and August 17, 2009, November 9, 2009 and November 16, 2009. Inalfa designates each date as the first of a 14-day window period for the layoffs to occur.

While Inalfa does not believe that these layoffs constitute a "mass layoff" under the Worker Adjustment and Retraining Notification Act ("WARN"), Inalfa is nevertheless providing this notice as a courtesy and in the interest of cooperation.

By copy of this letter, the following have also been given notice of the layoff:

Osborn Chambers, Chief Steward, UAW, 1370 Pacific Drive, Auburn Hills, MI 48326

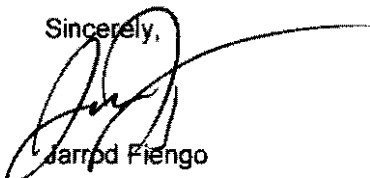

Chong-Anna Canfora
Director, Rapid Response Unit
Michigan Department of Labor & Economic Growth
611 West Ottawa, 4th Floor,
PO Box 30004
Lansing, MI 48909

Honorable James McDonald, Mayor
City Administration Complex
1827 North Squirrel Road
Auburn Hills, MI 48326

The copy of this notice that is sent to the local government and state dislocated worker unit includes a list of affected positions by job title and statement of the number of employees in each classification. The copy of this notice that is sent to the Union (and Union officials) identified above contains the above information and the names of the affected workers. No "bumping rights" exist for employees represented by the Union.

If you need additional information please contact the undersigned at 248 371 1953.

RE: Revised Layoff Schedule

Dear Mr. Presley:

In reviewing the schedules I sent you on July 20, 2009, I realized that I inadvertently left off Tammy Oliver who is scheduled for reduction on 11/16/2009.

Further, Trafen Anderson (11/16/2009) and Bret Ellson (8/10/2009) have been removed from the reduction schedule sent to you on July 20, 2009. Both employees are currently line leaders, not assemblers.

Enclosed, please find a revised schedule. If you have any questions please contact me at 248-371-1953.

Thank you.

Best Regards,

Jarrod Fjengo
