Evansville, IN 47710

Date: February 25, 2009

Pursuant to the Worker Adjustment and Retraining Notification Act ("WARN"), we regret to inform you that Red Spot Paint & Varnish Co., Inc. will terminate the employment of and permanently separate employees at its Red Spot Westland facility located at 550 South Edwin Street, Westland, MI 48186. Due to the economic downturn, the entire Automated Dispensing System, Milling and Shaded paint areas of Red Spot Westland operations will be relocated to Evansville, IN.

This action is expected to be permanent in nature. The employment terminations and permanent separations are expected to commence on April 26, 2009.

The number of workers who hold affected jobs in each job classification, the job titles of the affected positions, and schedule of separations are as shown on Exhibit "A" which is attached and made a part of this notice.

Also, please note that Exhibit "B" which is attached and made a part of this notice includes the numbers and job titles of union-represented employees who are also affected by this action and who are already on layoff (and who had recall rights associated with such prior layoffs).

Bumping rights exist for affected union-represented employees and such employees will be affected in accordance with the provisions of the collective bargaining agreement. Non-union employees have no bumping rights. Severance will be issued in accordance with collective bargaining agreement.

The union representatives of the affected union-represented employees are:
