Re: Notice of Mass Layoff Pursuant to the Federal Worker Adjustment and
Retraining Notification Act
Auto Truck Transport Terminal 556
6370 Urbana Road, Springfield, Ohio 45502

To Whom It May Concern:

This notice is being provided pursuant to the Federal Worker Adjustment and Retraining Notification Act of 1988 which requires employers to give official notice to certain government officials of a pending mass layoff or plant closing. Auto Truck Transport will layoff more than 50 shop employees and drivers or at least 33% of its current workforce beginning on March 30, 2007 due to unforeseen business circumstances. At this time, it is uncertain as to the duration for this mass layoff.

It is currently anticipated that 231 employees will be laid off. A list of the affected employees and the positions they currently hold is attached as Exhibit A. Some of the affected employees are represented by a labor union, and that union has been notified of this mass layoff. The contact information for the Union representative is: Boysen D. Anderson, International Association of Machinists and Aerospace Workers, 9000 Machinists Place, Upper Marlboro, MD 20772.

Should you have any questions, please contact me at (417) 206-5930.

Sincerely,

Scott Horner
