Re: Notice of Job Losses

Dear Mayor Plusquellic,

YRC Enterprise Services, Inc. ("Company") intends to move a significant portion of its revenue management/customer integration function out of its facility located at 1077 Gorge Boulevard, Akron, Ohio 44310 (the "Akron General Office"). The Company plans to continue performing some revenue management/customer integration functions, as well as all other existing functions, out of the Akron General Office. Although notice is not required pursuant to the Worker Adjustment and Retraining Notification Act (the "WARN Act") under these particular circumstances, the Company recognizes that the regulations implementing the WARN Act provide that notice is civically desirable and encouraged and provides this notice in that spirit.

This decision will result in the permanent termination of 71 employees. The affected employees are not represented by a union and do not have "bumping" rights. A list of the job titles to be separated, number of affected employees in each position, and expected separation date is enclosed.

Should you need additional information or have any questions concerning this matter, please contact me at 330-643-6929.

Sincerely,

William P. Dunn
