<sup>1</sup> This notice is similar to that required by the Worker Adjustment and Retraining Notification Act (WARN), Public Law 100-379 (29 U.S.C. 2101, et seq.), but the circumstances of the closing and reduction-in-force are such that WARN does not apply. However, Centex Homes felt it would be in the best interests of its employees and this Department to provide a notice similar to that required by WARN.
