Dear Mr. Palmer:

Subject: Notice of Mass Layoff Pursuant to the W.A.R.N. Act

Pursuant to the "Worker Adjustment and Retraining Act" (W.A.R.N.), you are hereby notified of a planned employment loss in the form of a layoff as defined by the W.A.R.N. Act at the General Motors Detroit Hamtramck Assembly Plant located at 2500 East General Motors Blvd., Detroit, Michigan. Specifically, due to the reduced market demand for the Cadillac DTS and the Buick Lucerne the second shift will cease at the end of production on Friday, December 14, 2007. As a result of the cessation of producing vehicles on the second shift, a layoff will begin at the end of production on Friday, December 14, 2007. The elimination of the second shift will result in the permanent layoff of up to approximately 767 regular employees represented by the UAW International Union, Ron Gettelfinger, President, 8000 East Jefferson Avenue, Detroit, Michigan 48214.

Employees laid off by this action may be eligible to receive State Unemployment Compensation and/or Supplemental Unemployment Benefits in accordance with Exhibit "D" to the Agreement between General Motors Corporation and the UAW dated October 15, 2007.

Attached hereto, are the job titles of positions to be affected and the number of affected employees in each job classification. No bumping rights exist in this matter but affected regular employees may have placement opportunities at other GM locations.

Any questions regarding this matter may be directed to:
