RE: Notice under the Worker Adjustment and Retraining Notification Act ("WARN")

Dear Ms. Carlson:

This letter is to inform you that, in accordance with the provisions of the Worker Adjustment and Retraining Notification Act ("WARN"), we anticipate that the Atwood Lake Resort and Conference Center (the "Resort") will be ceasing operations at its facility located at 2650 Lodge Road Sherrodsville, Ohio 44675 and will permanently close on or about October 4, 2010.

Given the economic climate, the Resort has struggled to remain profitable and has had difficulty meeting its financial goals over the past couple of years. Although the ownership of the Resort is committed to exploring all viable options to avoid closure, at this time, we anticipate that the Resort will be closing and the workforce termination will be permanent. Employees at the facility do not have any bumping rights.

All Resort employees will be terminated during the 14 day period commencing on October 4, 2010. This includes 59 full-time and 76 part-time employees. Enclosed as Attachment 1 to this letter is a list of the job titles of the positions and the number of employees in each position that will be affected by the permanent closure of the facility. Although not required by WARN, enclosed as Attachment 2 is a list of those seasonal positions and the number of employees in each position who will not be affected by the Resort closure, but who are employed by the Resort as of this date.

Please contact the undersigned for further information about this matter. My phone number is (412) 921-6200, extension 29.

Very truly yours,

Lisa Purdue  
Corporate Director of Human Resources  
Prospera Hospitality, LLC
