The Manufacturing Operations at the Galion, OH location are being transferred to the Lineage Power manufacturing facility in Matamoros, Mexico and will result in the elimination of approximately 21 positions effective September 30, 2010 and an additional 11 positions by December 31, 2010.

The general and administrative functions of Information Technology, Accounting/Finance, and Human Resources in Galion, OH will be phased out from September 30 through December 31, 2010. This will result in the elimination of an estimated 11 positions.
