Dear Mr. Uram:

Please be advised that Lear Corporation plans a workforce reduction at its facility located at 36310 Eureka Rd. in Romulus, MI 48174. Lear expects these layoffs to be permanent. The initial scheduled layoffs will commence on approximately June 4, 2007. Lear designates this date as the first of a 14-day window period for the layoffs to occur. The next scheduled layoffs will commence on approximately June 25, 2007. Lear designates this date as the first of a 14-day window period for this next set of layoffs to occur. UAW Local 174 represents the hourly employees at the Romulus facility.

While Lear does not believe that these layoffs constitute a "mass layoff" under the Worker Adjustment and Retraining Notification Act of 1988 ("WARN"), Lear is nevertheless providing this notice as a courtesy and in the interest of cooperation. Lear is providing less than 60 days notice because the layoffs were caused by an unforeseen business circumstance – the unexpected loss sales volume with Lear's principal customer at the Romulus facility, DCX – Warren Truck Plant.

By copy of this letter, the following have also been given notice of the closure:

Joe Musico, Chairperson, Lear Romulus Plant UAW, 36310 Eureka Road, Romulus, MI 48174

Douglas Grima, President, UAW, Westside Local 174, 29841 Van Born Road, Romulus, MI 48174

Rory Gamble, Director, Region 1A, 9650 S. Telegraph Road, Taylor, MI 48180
