

Notice of Closing or Substantial Layoff

The Worker Adjustment and Retraining Notification Act of 1988 (P.L.100-379) requires certain employers to give at least 60 days notice to layoffs or plant/facility closings. Notice must be given to the State Dislocated Employee Unit, local government and employees. Failure to do so makes an employer liable to each aggrieved employee for back pay for each day of violation and benefits.
