Re: WARN Notice

Dear Mr. Conway:

In June, Whirlpool Corporation announced the permanent closing of the Whirlpool, Benton Harbor Division as part of an ongoing restructuring of manufacturing operations.

We are required by the Workers' Adjustment and Retraining Notification Act ("WARN") to provide you with this notice within 60 days of the terminations caused by this closing. Terminations will commence on or about February 25, 2011 and continue until March 25, 2011. These reductions will be permanent and there will be no bumping rights. We anticipate that the closing will ultimately impact a total of 170 employees at this location.

The Company is providing employees with information and a package of transition benefits. Should you have any questions, please contact Sandy Walker, Human Resources Generalist at our location. Sandy's direct telephone number is 269-923-6553.

Thank you for your cooperation and understanding.

Best regards,
