January 6, 2009

Dear Ms. Patton:

Americas Styrenics LLC announced today that it plans to shut down six of the production lines of its facility located at 17401 State Route 7 South Marietta, Ohio. Unfortunately, this action will result in the permanent elimination of approximately 63 salaried and union positions at the Marietta facility. The first position eliminations will occur during the 14-day period beginning March 7, 2009. The bargain unit employees affected by this action are represented by the United Steelworkers (USW) local 14200-01. Mark Wurtzbacher is the local president, his address is 102 Milton Road, Marietta, Ohio 45750.

This notice is given pursuant to the "mass layoff" notification requirement under the federal Worker Adjustment and Retraining Notification Act. If you would like further information, please contact me at 740-374-0276.

Sincerely,

A handwritten signature in black ink, appearing to read "Ivin E. Rohrer", with a long, sweeping horizontal line extending to the right.

Ivin E. Rohrer
