Ohio Department of Job and Family Services
4020 East Fifth Avenue
Columbus, Ohio 43219

Dear Mr. Valentine:

This letter is notification to you, as dislocated worker unit for the State of Ohio and in accordance with the Worker Adjustment and Retraining Notification Act ("WARN"), 29 U.S.C. Section 2101, et seq., of the idling of a Norfolk Southern Railway Company ("NSR") facility at Columbus, Ohio which will affect certain employees of NSR and may require notice to you under WARN.

As a result of a decline in its business, NSR intends to reduce forces and idle most of its operations at the Buckeye Yard, located in Columbus, Ohio, effective on July 3, 2009. At that time all job positions listed on the exhibit attached hereto and made a part hereof as Appendix A will be abolished. Those affected employees that are represented by a labor organization will have certain rights to exercise their seniority to other NSR positions; some of these positions will be outside the Columbus area and not all affected employees will be able to immediately obtain another position at any location. While the listed job positions will not be abolished until July 3, and employees holding these positions will continue to receive their regular pay and benefits until that date, it should be noted that Buckeye Yard operations will be substantially idled as of May 4, 2009, and it is anticipated that most employees occupying the listed job positions will not be required to perform service in the period starting today and running through July 3, 2009.

Certain of the affected employees in Columbus are represented by labor organizations. The name of each such organization, and the name and address of its chief elected officer, follows:

Mr. R. T. Buffenbarger, International President
