This cessation of operations is a result of the decision to close GM Manufacturing Mansfield which was originally announced on June 1, 2009. In addition, for approximately 240 days, a limited number of employees will have work to prepare for the Plant closure. The Plant closure could affect approximately 350 hourly rated employees represented by the United Automobile and Aerospace and Agricultural Implement Workers (UAW), 8000 East Jefferson, Detroit, Michigan, 48214, Mr. Ron Gettelfinger, President.

An additional 64 Salaried employees will be subject to potential separation and may be eligible for benefits payable under the GM Severance Program (GMSP) on January 31, 2010.

The currently anticipated hourly and salaried job classifications and the number of employees to be impacted are attached.

Attachment I - UAW classifications and the number of employees who will be laid off pursuant to the local Seniority Agreement.

Attachment II - Non-represented salaried classifications and the number of employees who will be subject to potential separation.

Represented employees laid off by this action may be eligible to receive state unemployment compensation and/or Supplemental Unemployment Benefits in accordance with Exhibit D of the Agreement between General Motors Corporation and the UAW dated September 26, 2007, as amended. Non-represented salaried employees may be able to receive state unemployment compensation and/or supplemental benefits as applicable.
