Re: Robinson Industries Extension of Mass Layoff Date

Dear Ms. Canfora:

On June 17, 2010, pursuant to the *Worker Adjustment and Retraining Notification Act* (“WARN”) we gave you notice of the mass layoff of employees at Robinson Industries, Inc., 3051 Curtice Road, Coleman, Michigan. At that time we anticipated that employees would be laid off on August 16, 2010. To allow more time to search out cost reductions and other efficiencies, the date of the mass layoff has been changed and we now anticipate that it will be September 15, 2010. Further information can be obtained from John Bradac at 989-465-6111.

Very truly yours,

John Bradac
HR Director
