Worker Adjustment Retraining Notification Act
P.O. Box 1618
Columbus, OH 43216-1618

Government Officials and Representatives:

We sincerely regret to inform you of a layoff and/or site closing which will affect employment at certain locations of the Company. The addresses for these locations are attached as Exhibit 1. This situation is a result of the significant flight reductions announced by all the network and LCC airlines. The official date of this reduction will be September 10, 2008, and employment terminations will occur on that date. This action is expected to be permanent.

This notice is given pursuant to the Worker Adjustment and Retraining Notification Act, P.L. 100-379, 102 Stat. 890, 29 U.S.C. § 2101 et seq. This layoff may constitute a "mass layoff" or a "plant closing" as those terms are defined in that Act.

Pursuant to the terms of an existing collective bargaining agreement, the Company currently has provisions for certain "bumping rights" at these locations. The Teamsters Union represents certain classifications of employees at the locations. The Union's officers are listed below. Other information listed at 29 C.F.R. § 639.7(e) will be maintained on site and will be made readily accessible to you upon request.

This decision is not an adverse reflection on the workers of the Company. We feel deeply for our employees and their families, and we hope that you will make every effort to aid our employees throughout this difficult period. We intend to work closely with you and with other government officials during the transition process.

This notice is based on the best information available at this time. For further information regarding the planned reduction in force, the appropriate person to contact with the Company is Kathy Wooldridge, Director – Human Resources who may be reached at 8909 Purdue Rd., Suite 300, Indianapolis, IN or 317-484-6003.

Sincerely,

Bryan K. Bedford

Chairman of the Board, President and
